GRACE NOTE

The days ahead

Spring officially started a week or so ago. The past days, however, have been up and down with the temperatures, sometimes sunny, or cloudy, rainy, or snowy, with blustering wind. Weather has been all over the place.

So with the health situation in the country and in the world. More people are vaccinated. Cases of the virus affecting people hospitalized and dying are the ones mostly not vaccinated. Omicron's impact is waning as another variant, B.A. 2, is mutating to be more easily transmissible. There is a sense we are grasping a way forward, but it still is all over the place.

Even as our daily existence is still all over the place, our life lived in faith is anchored in God through Christ and the Holy Spirit. God is present and constant even when we feel we are all over the place, because God is all over the place in the best sense of the phrase! God's got us!

As a faith community, we are invited to walk with God together. For together, we can hold each other up, help each other out, work with each other for the good of us and others, locally and globally.

For the days ahead, I invite all to walk together and live together as Christ's body. I strongly invite you to include coming to church as part of your living. We miss you and we need you.

Worship focus is moving towards Holy Week:

April 10 – Palm Sunday at 9 AM

April 14 – Maundy Thursday with the Eucharist at 6:30 PM

April 15 – Good Friday with the last words of Christ at 6:30 PM

April 17 – Easter Sunrise Service at 6 AM

April 17 – brunch at 7:15 AM

April 17 – Easter Service at 9 AM

The days ahead are better together to impact for the good of all.

Thanks be to God!

Trustees Report

Have you noticed that the trees on 60th St. have disappeared?

Right before they were removed, the trustees asked if we could keep some of the mulch to spread around the church grounds.

Consequently, we got 2 huge piles of wood chips.

Lennie Hill, Bob Petersen and Bill Thurau grabbed their shovels and wheelbarrows and spread all that mulch around. Now all of the bushes and trees have a barrier of wood chips to help with weed control and better health and growth.

Talk about Reduce, Reuse, Recycle!

Thanks for all your back breaking labor!

SCRIP PROGRAM

Orders placed 1st Sunday of the month

April 3, May 1

Think ahead - New spring wardrobe, yard cleanup, weekly groceries, gas for the car, restaurants. These items and many more can be purchased with a SCRIP card and you help the church at the same time!

SCRIP forms are located in the gathering space of church. Talk to Beth Brooks if you have questions.

SHALOM FOOD PANTRY

Bob and Sandy Petersen delivered 82 pounds of food to the Shalom Food Pantry in March! Thank you to all!

Let's do it again in April. The Shalom Center Food Pantry can always use our donation. Think about breakfast and bring something that families can use for the start of their day!

If anyone is willing to take up the task of food donation delivery, please call the office.

Saturday Academy

Thank you to the many volunteers who helped with Saturday Academy. We have appreciated the time and energy you devoted to the youth at Curtis Strange, from the cooking and serving breakfast and lunch, to helping tie knots, crochet, build bird houses, making bird house kits, and helping the teachers with their many projects.

We had more children sign up and attend than ever before, 49 with the first 2 weeks with over 30 in attendance. Your help was a vital part of making this mission come to life and to see the children flourish.

Thanks,

Kathy

News Regarding the United Methodist Women's Organization

United Methodist Women will now be known as "United Women In Faith". Our name is changing but we remain the women's organization for the United Methodist Church. The changes were made after research, surveys, focus groups and interviews were conducted with more than 24,000 United Methodists and women of other denominations and Christian traditions over the past quadrennium. We want to be more inclusive in reaching out to all women and this name change reflects our goal. Our new mission statement reflects the core values that have always guided us: "United Women in Faith seek to connect and nurture women through Christian spiritual formation, leadership development, creative fellowship and education so that they can inspire, influence and impact local and global communities." Our name is changing but our Mission Statement still reflects the core values that have always guided us: Faith, action and sisterhood remain at the center of what we do.

What are Apportionments?

The main way we support the ministries of the larger United Methodist Church is through apportionments, a method of giving that proportionally allocates the church wide budget to conferences and local churches.

For United Methodists this method of giving has become a strong, generous tradition. Together, through our connected congregations, we accomplish what no single church, district or annual conference ever could hope to do alone. In this way, each individual, each family, each congregation gives a fair share for the church's work. We combine our prayers, presence, gifts and service to make a significant difference in the lives of God's people.

Our impact as 12.5 million United Methodists, in 136 countries, is phenomenal. Together we witness to the love of Jesus Christ for a hurting world and transform lives and communities in his name.

Methodist Church

Volunteers Needed

Would you like to help welcome and settle an Afghan household into our community?

Kenosha's first Afghan family arrived in Kenosha a month ago and a team of volunteers has been working to help them adjust to their new lives. Additional volunteers are needed now to support two more Afghan households who are expected to arrive in the coming weeks.

Time commitment: Two to four hours per week for a 6 – 12 month period.

Volunteers task include:

- Orient household to our community.
- Provide transportation for shopping, appointments, etc.
- Help enroll children in school.
- Help enroll adults in English classes.
- Help adults obtain driver's licenses or state IDs.
- Assist finding medical and dental providers.
- Connect household members with community resources (library, etc.)
- Trouble shoot issues that arise.

You will be part of an established team at St. Matthew's Episcopal Church. The team works closely with the re-settlement agency (Lutheran Social Services) that provides case management services and directs much of what the volunteers do. St. Matthew's has a team leader ready to guide this effort.
